CHatsworth

Welcome

I am delighted that you might be thinking of Chatsworth as a venue for your wedding. We hope that you agree that Chatsworth makes an exceptional location for civil wedding ceremonies and wedding receptions. Chatsworth has a long history of hospitality and entertaining, as the house has been open to visitors ever since it was built. It has been the home of the Cavendish family for more than 450 years. The house contains one of the most important private art collections in the world.

The garden contains the Cascade, built in 1698, and spectacular fountains and waterworks. There are giant rockeries, rose, kitchen and sensory gardens, a maze and five miles of walks among interesting shrubs and unusual trees.

Our wedding ceremonies and receptions are held in beautiful rooms in the famous stable block designed in 1758 by James Paine. All the rooms are decorated with paintings and other works of art from the Chatsworth Collection.

We would be happy to organise your wedding celebrations for you and make it a very special day that you will always remember.
