

# Gundog scurries

The competition is open to gundogs only, but you can have a go for fun with any breed of dog. Prizes and rosettes awarded each day.

Scurries cost £2 per go and the Chatsworth Challenge is £8 to enter.

## **Multi pick-up**

This scurry requires the dog and handler to work together to retrieve five canvas dummies in the fastest time to win, but don't worry, the clock stops in between retrieves!

## **The Water Scurry**

This event promises to be a great event for all water loving gundogs. The competition requires two dummies to be retrieved in the fastest time across the River Derwent.

## **Up and Over**

Involves a series of straw bale jumps with a dummy to retrieve from the end. It's not all about winning and as long as your dog will retrieve, then it will be able to do this event.

## **The Mixed Double**

A two-dummy retrieve against the clock.

## **Junior scurries**

The Up and Over and the Two Dummy scurry are open to visitors under 16 only.

## **The Chatsworth Challenge**

Incorporates all four events and the dog that completes all four scurries in the fastest time, over the three days, will become the Chatsworth Challenge Gundog Champion. There are some great prizes to be won on this event.
