About the estate farm shop

With over 40 years' experience, Chatsworth estate farm shop is one of the oldest in England. Founded in 1977, it was originally established by Duchess Deborah who wished to give visitors the opportunity to buy high-quality meat and game produced on the Chatsworth estate. Since then, the estate farm shop has developed and diversified to become an acknowledged leader in its field.

While today's offering has expanded substantially, the desire to provide local produce remains paramount; we prefer to source our products from small local suppliers whenever possible and are proud that over half of our products are either produced or prepared on the Chatsworth estate.

Christmas pre-orders

ALL ITEMS SHOWCASED WITHIN OUR BROCHURE ARE AVAILABLE TO PURCHASE IN-STORE, ALONG WITH MUCH MORE.

Some products in our range contain nuts and other allergens. As a result, traces of these could be found in other products served here.
