## Please note

- Garden footpaths around our main facilities are mostly wide and flat, paths in more remote areas may be uneven. Please refer to the garden accessibility map (available from ticket offices) for those areas not accessible with pushchairs, wheelchairs or mobility scooters.
- In drier periods, playing of the gravity-fed waterworks is restricted.
- Personal, non-commercial photography is welcome.
- Please keep children supervised, especially near lakes and ponds.
- Dogs are welcome in the garden and park but must be kept on a lead at all times.
- Food-to-go outlets may close in extreme weather conditions.
- There are tractors and other vehicle movements within the garden at all times. Please take care.
- The use of drones is prohibited.
- The Cascade was not originally constructed for walking in. The stones can become slippery. Please keep children supervised near the Cascade.
