

CHATSWORTH

CORPORATE MEMBERSHIP

BECOME PART OF OUR STORY

Chatsworth House Trust, a registered charity since 1981, was established to maintain and preserve the house, garden, parkland and collections for the benefit of everyone.

Every penny of corporate membership we receive goes back into the charity to support the ever-expanding list of essential conservation, maintenance and restoration as well as supporting our extensive learning programme.

“Our Corporate Members enjoy free access to the house, garden and parkland to spend quality time with friends and families, enjoy a quiet moment in nature, and be inspired by innovative programmes. If you are thinking of joining our community, thank you so much – we are delighted to welcome you. Your support will make a real difference.”

Jane Marriott,
Director of Chatsworth House Trust

“We loved our day at Chatsworth on the farm and in the gardens. It’s such a beautiful place to wander round. The tractor ride and feeding the baby goats were the highlight of the boys’ day. We can’t wait to go again.”
